### SBA Economic Injury Loans Available *Business owners urged to apply*

**FORT WORTH, TX** -- Businesses in some Arkansas and Oklahoma counties can now apply for low interest Economic Injury Disaster Loans from the U.S. Small Business Administration (SBA). These loans are available to help businesses meet normal operating expenses that cannot be met due to the effects of a disaster. Excessive rain and flooding that occurred April 21 through 27, 2004, caused many farmers and ranchers to experience reduced incomes which may have had an adverse economic effect on businesses depending upon these producers. Farmers and ranchers are not eligible for this loan program but may be eligible for disaster assistance through other Federal agencies. Businesses in the following counties are eligible to apply:

Arkansas:

Arkansas	Garland	Logan	Prairie	Stone
Clay	Grant	Lonoke	Pulaski	Van Buren
Cleburne	Greene	Madison	Randolph	Washington
Conway	Independence	Monroe	Saline	White
Craighead	Izard	Montgomery	Scott	Woodruff
Crawford	Jackson	Newton	Searcy	Yell
Cross	Jefferson	Perry	Sebastian	
Faulkner	Johnson	Poinsett	Sharp	
Franklin	Lawrence	Pope	St. Francis	

Oklahoma:

Adair

Sequoyah

To obtain an application or receive additional information, interested business owners may call the SBA toll-free at 1-800-366-6303 or TDD 817-267-4688 for the hearing impaired. The deadline for filing an application is **April 11, 2005**.

Due to the weather, many producers experienced crop losses and were not able to purchase goods and services at normal levels. Businesses that are dependent upon these producers may have experienced decreased sales, reduced gross profit margins, increased accounts receivable or difficulty in moving inventories at normal levels. The loan can help a business meet installments on long-term debt, accounts payable and overhead expenses that would have been met had the disaster not occurred. Refinancing of long-term debt, however, is not eligible under this program. The loan is designed for those businesses with substantial disaster-related needs and is intended to supplement monies the business owner can provide from other sources.

To qualify, businesses must be small by SBA's size standard. Businesses which can meet their financial needs through other sources are not eligible.
