

MicroLoans

The MicroLoan Program provides short-term loans of up to \$35,000. If you need a loan for small-scale financing purposes such as inventory, supplies, and working capital (but not to pay existing debts), this program may be your answer.

MicroLoans are made through SBA-approved non-profit groups, known as intermediaries, which also provide counseling and technical assistance. The three intermediaries and contacts for the St. Louis district office territory are:
