SBA Stands Ready to Assist Victims Of Recent Severe Storms and Tornadoes in Indiana

WASHINGTON – Following the announcement of the Presidential disaster declaration in Indiana covering several counties as a result of severe storms, flooding and tornadoes that began on May 30 and are continuing, Acting Administrator Jovita Carranza of the U. S. Small Business Administration issued the following statement:

“We look forward to working with the people of Indiana to make low-interest federal disaster loans available to homeowners, renters and businesses,” said Acting Administrator Carranza. “We will be swift in our efforts to help them rebuild their homes and businesses.”

The disaster declaration covers the Indiana counties of Bartholomew, Hancock, Johnson, Marion, Monroe, Morgan, Vermillion and Vigo, all of which are eligible for both Physical and Economic Injury Disaster Loans from the SBA. Small businesses in the adjacent counties of Boone, Brown, Clay, Decatur, Fountain, Greene, Hamilton, Hendricks, Henry, Jackson, Jennings, Lawrence, Madison, Owen, Parke, Putnam, Rush, Shelby, Sullivan and Warren in **Indiana** and Clark, Edgar and Vermilion counties in **Illinois** are eligible to apply only for SBA Economic Injury Disaster Loans.

Disaster loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible up to \$40,000 to repair or replace damaged or destroyed personal property.

Businesses of any size and private non-profit organizations may borrow up to \$1.5 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. SBA can also lend additional funds to help with the cost of making improvements that protect, prevent or minimize the same type of disaster damage from occurring in the future.

For small businesses only, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loans assistance is available regardless of whether the business suffered any physical property damage.

Interest rates can be as low as 2.687 percent for homeowners and renters and 4 percent for businesses with terms up to 30 years. Loan amounts and terms are set by the SBA and are based upon each applicant’s financial condition.
