SBA Disaster Assistance Available to Private Non-Profit Organizations in Wisconsin

ATLANTA – The U.S. Small Business Administration announces that certain Private Non-Profit Organizations (PNPs) that do not provide critical services of a governmental nature may be eligible to apply for low interest rate disaster loans. These loans are available as a result of a Presidential Disaster declaration for Public Assistance resulting from damages caused by severe storms, tornadoes and flooding on June 5, 2008 and continuing.

PNPs located in Adams, Columbia, Crawford, Dane, Dodge, Grant, Iowa, Lafayette, Milwaukee, Monroe, Richland, Sauk, Vernon and Winnebago counties in the State of Wisconsin are eligible to apply to SBA. Examples of eligible non-critical PNP organizations include, but are not limited to, food kitchens, homeless shelters, museums, libraries, community centers, schools and colleges.

PNP organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. The SBA also offers mitigation loans to disaster victims based on 20 percent of the verified physical loss. These funds are designed to help borrowers pay for protective measures to minimize damages of the same kind in the future.

For PNP organizations of all sizes, the SBA offers Economic Injury Disaster Loans to help meet working capital needs, such as ongoing operating expenses. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Interest rates can be as low as 4 percent with terms up to 30 years. Loan amounts and terms are set by the SBA and are based upon each applicant's financial condition.

“PNP organizations are urged to contact their County Emergency Managers to obtain information about local briefings. At the meeting, PNP representatives will provide information about their organization”, said Frank Skaggs, Director of SBA Field Operations Center East.

This information will be used to submit a “Request for Public Assistance” which FEMA uses to determine if the PNP provides an essential governmental service and meets the definition of a “critical facility”. Based upon that conclusion, FEMA will either refer the PNP to SBA for disaster loan assistance or possibly provide a “Public Assistance” reimbursement grant for eligible costs.

Disaster loan information and application forms may be obtained by calling the SBA’s Disaster Assistance Customer Service Center at 1-800-659-2955 (for the hearing-impaired 1-800-877-8339), Monday through Friday from 8 a.m. to 9 p.m., and Saturday 9 a.m. to 6 p.m. EDT or by emailing our customer service center at disastercustomerservice@sba.gov or writing to U.S. Small Business Administration, Disaster Assistance Customer Service Center, 130 South Elmwood Avenue, Buffalo, NY 14202-2463.
