SBA Opens Additional Disaster Loan Outreach Centers in Wisconsin

ATLANTA – The U.S. Small Business Administration announces today the opening of two additional Disaster Loan Outreach Centers. The location of these Centers will make it convenient for disaster victims affected by the severe storms, tornadoes and flooding of June 5 and continuing to apply for disaster loan assistance. The SBA encourages victims to visit the Centers to apply for assistance.

Victims are urged to register with FEMA by calling 1-800-621-3362 (FEMA). “If you were issued an SBA loan application, complete and return the application to the SBA, even if you don’t want a loan. If SBA is not able to approve a home loan, you will be referred to FEMA for possible grant assistance. Anyone who has not completed their disaster loan application is encouraged to meet with one of the Customer Service Representatives at any of the Centers located throughout the disaster area for one-on-one assistance,” said Frank Skaggs, Director of SBA Field Operations Center East.

“Loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for up to \$40,000 to repair or replace damaged or destroyed personal property,” Frank Skaggs added.

Businesses of any size and non-profit organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, inventory, machinery and equipment. The SBA can also lend additional funds from its mitigation program to help with the cost of making improvements that protect, prevent or minimize the same type of disaster damage from occurring in the future.

For small businesses and private non-profit organization of all sizes, the SBA offers Economic Injury Disaster Loans (EIDLs) to help meet working capital needs caused by the disaster. EIDL assistance is available regardless of whether the business suffered any property damage.

Interest rates are as low as 2.687 percent for homeowners and renters, and 4 percent for businesses with terms up to 30 years. Loan amounts and terms are set by the SBA and are based upon each applicant’s financial condition.
